- ▶ Care for a family member, or someone who is the equivalent of family, who has a serious health condition, or who has been isolated or quarantined because of suspected exposure to a communicable disease (including COVID-19) during a state of emergency; or
- ▶ Provide required care or treatment for a child during a state of emergency if their school or place of care is closed due to an epidemic of a communicable disease (including COVID-19) or other public health emergency.
